COMMUNITY PARTNERSHIP

OUR FOCUS

WHAT IS THE GOGREEN CONFERENCE?

The GoGreen Conference is a sustainability learning experience for business and public sector decision-makers. Featuring regionally targeted content and recognized leaders from the community, GoGreen works across industry silos to foster peer-to-peer learning and collaborative solutions. We believe sustainability in the business setting is a powerful and indispensable tool for navigating the tumultuous waters of today's global economy and solving our climate woes. Our mission is to empower attendees with the strategies, tools and connections to green their organizations with profitability in mind. View the 2017 Conference Program and featured Case Studies/Speakers who will join us to deliver an action packed day of driving social and sustainable change in your organizations.

WHO PARTICIPATES AS COMMUNITY PARTNERS?

Community Partners tend to be regional non-profits, business associations and community organizations that work to promote the topic of sustainable business and local events to their networks through newsletters, website, social media and community events.

WHAT DOES IT MEAN TO BE A COMMUNITY PARTNER?

Community Partners help spread the word about GoGreen Portland through an in-kind, cross promotional agreement. The partnership supports the shared goal of building a stronger, more sustainable regional economy and culture. Our mission is to spread information, resources and best practices, while fostering a solutions-based spirit that will create positive, lasting change in the community.
